Re: GCRM-131, Docket No. 2006-401-G

Dear Ms. Boyd:

On October 14, 2011, Piedmont Natural Gas Company, Inc. ("Piedmont") made a filing with the Commission requesting approval of its GCRM-131. It has been brought to my attention that the letter accompanying the schedules had an error on the last sentence of the third paragraph describing the impact of the proposed rate change. That line should read, as follows:

The rate changes proposed herein are a decrease of \$0.05088/therm for sales rate schedules (201, 202, 221, 232, 242, 252, 262, 203 and 204) and a decrease of \$0.00088/therm for transportation rate schedules (213 and 214).

Piedmont respectfully submits this correction to the letter filed on October 14, 2011. All schedules filed on October 14, 2011 are (and were) correct as filed. I apologize for any inconvenience that may have resulted from this error.

If you have any questions regarding this matter, you may reach me at the number shown above.

Sincerely,

Moore & Van Allen, PLLC
